

ADDENDUM

SEPA File No. 04-052801

Description of the original proposal: The applicant is proposing approximately 87 acres of timber harvest and 2,800 feet of new road construction, 1,100 feet of which will be temporary. The following features are associated with this proposal: inner gorges, bedrock hollows and a dormant deep-seated landslide. The proposed forest practice activity is associated with FPA#2409854 and the timber sale name is 'Hot Tub'

Description of the addendum: The applicant is reducing the amount of timber harvest from 87 acres to approximately 85 acres.

Description of existing environmental document: DNS

Proponent: Rainier Timber Co., LLC

Lead Agency: Department of Natural Resources

This addendum is being distributed pursuant to WAC 197-11-600 and 197-11-625. It has been determined that this new information does not substantially change the analysis of significant impacts in the existing environmental document.
